Arzumanov I.A., Ph. D. in Philosophy, Sector Head, Central Asiatic Studies, OS "Baikal Alliance"

Philosophical and Anthropological Aspect of Religious Space Study. P. 208-211.

Marking out anthropological aspect as implicitly integrating philosophical and ideological factor is methodologically basic subordinating principle.

Poddubnaya T.K., Ph.D. in Psychology, Assistant Professor, Chair of Psychology, Belgorod State University

Cognitive Component of Experience as a Parameter of University Students Personal Maturity. P. 212-216.

Personal maturity of students is looked upon as an integral indicator of a person's development, as a functional system which is formed in the process of learning and working and which reflects the degree of its developing effect. The cognitive component of the subjective experience as a substructure of the personal maturity and a parameter of its development are analyzed. A model of the research, criteria and parameters of the cognitive structure of consciousness which is developed on the basis of the system analysis, mathematics modeling.

NATURAL SCIENCES

Uzhik V.F., Ph.D. in Science, Professor, Chair of Mechanization of Agricultural Production, Vice-Rector for Research, Belgorod State Agricultural Academy

Sviridov A.G., Junior Researcher, Chair of Mechanization of Agricultural Production, Vice-Rector for Research, Belgorod State Agricultural Academy

Bushmanov N.S., Ph.D. in Science, Assistant Professor, Chair of General Technology Subjects, Belgorod State Agricultural Academy

Slobodyuk A.P., Ph.D. in Science, Assistant Professor, Chair of General Technology Subjects, Belgorod State Agricultural Academy

On Determining the Coefficient of Actual Gas Content in the Milk Line of the Milking machine. P. 217-221.

The paper provides theoretical substantiation of the optimum sizes of a hydraulic contour of milking machines and determines the dependence of losses of pressure from gas-contents in a stream of milk.

Beletskaya V.A., Ph.D. in Science, Assistant Professor, Chair of Organic Chemistry, Belgorod State University

Adsorption Activity of Montmorillonite Clay. P. 222-225.

The paper studies adsorption activity of clay from Yastrebovsky deposit. It offers optimum conditions for obtaining the most active sorbent.

LAW SCIENCE

Krikun V.G., Ph.D. in History, Assistant Professor, Head, Chair of the Theory and History of the State and Law, Belgorod University of Consumer Cooperatives

Political and Legal Foundations of Antireligious Campaign in Order to Stop Pilgrimage to Holy Places. P. 226-232.

Taking as example liquidation by party and Soviet bodies of pilgrimage to holy places the article dwells on the initial stage of antireligious campaign in the period of “Khrushchev’s thaw”. Published archive materials served as the source base for the study.

Novikov E.V., Ph.D. in Law, Professor, Chair of Theory and History of Law and State, Belgorod University of Consumer Cooperatives

On the Efficiency Improvement Factors in the Activity of Law Enforcing Subjects. P. 233-238.

The paper analyses the factors directly influencing the activity of law enforcing subjects.

Aliyev S.I., Ph.D. in Law, Director, Dagestansky Cooperative Institute (branch), Belgorod University of Consumer Cooperatives

Social and Cultural Prerequisites for Constitutional Ideas of Modern Time. P. 239-245.

The paper dwells on the process of the formation of social and cultural prerequisites for the development and dissemination of the ideas of constitutionalism in Western Europe.

Oleinik N.N., Ph.D. in History, Professor, Professor, Chair of the Theory and History of the State and Law, Belgorod University of Consumer Cooperatives, Chair of the Theory and History of the State and Law, Belgorod State University;

Povalyaeva E.I., Junior Researcher, Chair of the Theory and History of the State and Law, Belgorod University of Consumer Cooperatives

Reasons of Creating of Procurator’s Office in the Soviet State. P. 246-249.

The paper dwells on the main reasons for the revival of procurator’s office in the Soviet state and provides characteristics to a number of state bodies, which substituted the tsarist procurator’s office.

Dannikov V.V., Expert

Holding – a Company or a Cluster of Companies? Legal Collisions of Russian Legislation. P. 250-252.

The paper dwells on a number of contradictions in Russian legislation in force connected with the use of the notion “holding” and suggests its definition on the basis of foreign corporate law.

FOREIGN EXPERIENCE

Birchall Johnston, Doctor, Cooperative College, United Kingdom

Cooperative Principles: Ten Years On. P. 253-278.

The author dwells on the necessity of cooperative principles revision in the changed economic and social situation.
