

SUMMARY

THEORY AND PRACTICE OF COOPERATIVE MOVEMENT

Sergeyev I.V., Ph.D. in Economics, Professor, Head of the Chair of Finance and Credit, Belgorod University of Consumer Cooperatives

Goryainova S.A., Science Degree Applicant, Belgorod University of Consumer Cooperatives

Skuratov V.Y., Post-Graduate Student, Belgorod University of Consumer Cooperatives

Influence of Amortization Policy on the Economic and Financial Results of For-Profit Organization Activities. P. 5-7.

The paper dwells on the amortization policy mechanism influence on the financial results of the for-profit organization activities.

Galkin L.G., Ph.D. in Economics, Head of the Chair of Economics and Enterprise Organization, Affiliation of St. Petersburg State University for Engineering and Economy, Professor, Chair of Humanitarian and Economic Studies, Belgorod State Technological University named after V.G. Shukhov

Zalayeva S.Sh., Ph.D. in Economics, Associate Professor, Chair of Life Activities Safety, Belgorod State Technological University named after V.G. Shukhov

Malyugin A.V., Post-Graduate Student, Belgorod State Technological University named after V.G. Shukhov

Chinenov E.V., Ph.D. in Economics, Associate Professor, BLI, RF MI

Solovieva E.G., Advisor, RANS, Entrepreneur

Shupilo O.M., Post-Graduate Student, Belgorod University of Consumer Cooperatives

On the Study of the Competitive Interrelation Processes of Different Market Structures in the Conditions of Uncertainty and Risks. P. 8-16.

The paper provides some results of the study of interrelations between the complex of social ecological and economic component of the system of material wealth production and the quality of life activity of a man as the major productive force of the society and the genuine goal of his evolution.

Pavlov K.V., Ph.D. in Economics, Professor, Head of the Chair of World Economy, Belgorod State University

Ilyin S.Y., Ph.D. in Economics, Associate Professor, Chair of Economy of Agriculture, Izhevsk State Agricultural Academy

Methodological Approach to the Efficiency Assessment of two Directions in Production Assets use in Public Production. P. 17-21.

The paper dwells on the methodological approach to the assessment of indicators, characterizing the effect of extensive and intensive use of production assets.

Shishkin M.I., Ph.D. in Economics, Professor, Director, Udmurt Affiliation, Institute of Philosophy and Law, the Ural Branch of Russian Academy of Science

Ilyin Y.A., Ph.D. in Economics, Associate Professor, Senior Researcher, Udmurt Affiliation, Institute of Philosophy and Law, the Ural Branch of Russian Academy of Science

Kostenko N.L., Science Degree Applicant, Chair of Economics, Izhevsk State Agricultural Academy

Regions as “Locomotives of Economic Growth” of Modern Russia. P. 22-24.

The paper dwells on the major components of modern federal regional policy.

Katanaev N.T., Ph.D. in Science, Professor, Head of the Chair of IT in Economy, Moscow State Technological University “MAMI”

Sokologorsky V.S., Ph.D. in Economics, Associate Professor, Chair of IT in Economy, Moscow State Technological University “MAMI”

Soskovets A.M., Assistant, Chair of IT in Economy, Moscow State Technological University “MAMI”

Arkatova N.A., Post-Graduate Student, Chair of IT in Economy, Moscow State Technological University “MAMI”

Systemic Approaches to Automobile Industry Economic Objects Management in Constantly Changing Conditions. P. 25-29.

The paper examines the influence of cash mass monetary regulation mechanism on the economy sustainability development.

Katanaev N.T., Ph.D. in Science, Professor, Head of the Chair of IT in Economy, Moscow State Technological University “MAMI”

Sokologorsky V.S., Ph.D. in Economics, Associate Professor, Chair of IT in Economy, Moscow State Technological University “MAMI”

Soskovets A.M., Assistant, Chair of IT in Economy, Moscow State Technological University “MAMI”

Arkatova N.A., Post-Graduate Student, Chair of IT in Economy, Moscow State Technological University “MAMI”

Sustainability of Systems as the Necessary Condition of Economic Objects Manageability. P. 30-34.

The paper claims that economic objects manageability is one of the most important systemic notions; violation of this feature leads to the destruction of economic system as a whole.

Pokorny Y.V., Ph.D. in Mathematics and Physics, Professor, Correspondent Member of the RAS, Head of the Chair of Mathematical Analysis, VSU

Burlutskaya M.S., Assistant, Chair of Mathematical Analysis, VSU

Ryabtseva N.N., Assistant, Chair of Natural Studies, Belgorod University of Consumer Cooperatives

On Spectral Properties of One Extreme Problem on the Graph. P. 35-36.

The paper dwells on the analysis of the spectral problem arising for the ordinary equation on the graph. The paper besides the characteristics of correlation of major diameters of the gives spheres also dwells on the accompanying question on the spectral completeness of the corresponding spectral variable problem.

Averchenkov V.I., Ph.D. in Science, Professor, Head of the Chair of Computer Technologies and Systems, Vice-Rector for Information and International Cooperation, Bryansk State Technological University

Rytov M.Y., Ph.D. in Science, Associate Professor, Chair of Computer Technologies and Systems, Vice-Rector for Information and International Cooperation, Bryansk State Technological University

Gainulin T.P., Post-Graduate Student, Bryansk State Technological University

Design Automation of Systems for Engineering and Technical Protection of Information. P. 37-39.

The paper studies the approach to the solution of the problem of design automation of systems for engineering and technical protection of information through the creation of the specialized object oriented ADS.
